

Organization of classes and school lunches from October 1, 2020.

Dear colleagues, parents and students;

Due to the need to keep the more strict epidemiologic conditions after September 16, 2020 and from October 1, 2020 we contacted the concerned Health Authority (Regionálny úrad verejného zdravotníctva) and our Area Government Office (zriaďovateľ) requesting guidelines regarding the organization of school lunches at our school diner, as we are unable to follow the guidelines and provide the lunches for current number of students taking school lunches.

Based on the official feedback the Headmistress has decided that effective October 1, 2020:

1) the tertiary level of education students (in average older than 15 years of age, which are I.A – V.A; kvinta – oktáva, I.B – IV.B, I.C – IV.C, IV.MYP, V.MYP, III.IBD and IV.IBD) **are excluded** from provision of lunches; this is valid until recalled based on the epidemiological situation and guidelines from RÚVZ;
2) the rest of students (Primary and Secondary level) will be provided their lunches according to a weekly schedule that will be published on the school website;
3) in order to help increase the comfort of the educational process wearing face masks and decreasing the amount of time before lunch the teaching periods will be 5 minutes shorter for the whole school (Spojená škola) as follows:

1.period	8:00 – 8:40
2.period	8:45 – 9:25
3.period	9:40 – 10:20
4.period	10:35 – 11:15
5.period	11:25 – 12:05
6.period	12:15 – 12:55
7.period	13:00 – 13:40
8.period	13:40 – 14:20

There will be no lunch breaks before the 7th nor 7.-8.double periods.

Thank you for your understanding,

Regards,
Mgr. Renáta Karácsonyová
School Headmistress
